

The Roll Up ***October 2025***

Welcome to the latest edition of the Norfolk BC newsletter.

Club News

We have now passed the last date in 2025 where the sun sets after 7pm and it will not do this again until the end of March 2026.

Our indoor leagues are all now up and running, and after some teething problems in the first couple of weeks and enforced cancellations due to late holidays things have started to settle down. However, this quiet period will not last long as October brings the start of the national individual and club team competitions together with the Ladies and Men's County Leagues.

Men's County League and Competitions updates can be found on the county website, [click here](#). Ladies league and competition updates will be shared on the club website and Facebook page.

The Outdoor Section AGM and prize giving will be held on Tuesday 14th October commencing at 7pm in the indoor clubhouse.

Please check the dates for your diaries section later in the newsletter, the website diary and Bowlr bookings for more details of matches and events, all supporters welcome.

Domestic Leagues Fixtures

As the season gets into full swing matches are starting to be booked for national competitions this may mean that some domestic league games are moved, in line with club policy, to a different rink. Please check Bowlr or the TV screen in the hallway on arrival for a game to check the rink allocated for a match.

Match changes are highlighted in orange on Bowlr in the individual leagues. Where a game needs to be rescheduled to a new date to accommodate a competition game both teams will be advised in advance.
