

The Roll Up

August 2026

Welcome to the latest edition of the Norfolk Bowling Club Newsletter

August dawns and the holiday season is peaking. As the Summer leagues and competitions begin to draw to a close our thoughts turn towards the new Indoor Season ahead. Details of the domestic leagues for **Winter 2026** will be published week commencing **9 August** so captains should keep an eye on their in boxes please.

Annual Subscriptions

It's time to open up your wallets!! Annual subscriptions are due in August and invoices and paperwork will be emailed in the coming week. Those of you who do not use email can expect to receive a letter by the end of the second week in August. Please could all members kindly respond promptly to ensure a smooth start to the new bowls season.

Ladies County Indoor AGM

The Ladies County Indoor AGM went ahead on **Monday 6 July** at **County Arts**. Committee members were re-elected with the addition of Nicola Segolo who will be the new Competition Secretary, the hope being to introduce a county competition between players who win their club singles and pairs internal competitions.

Guidance for play during inclement weather

With the recent extreme weather, we have experienced, and the prospect of further heat waves as the summer progresses, it is a good idea for all members to consider the important guidance on playing in such conditions. While common sense should always prevail, the following advice is offered to assist further:

- **Hydration is Key:** Ensure you stay well-hydrated by drinking plenty of water. Please avoid dehydrating beverages such as alcohol and caffeinated drinks. Kitchens in the clubhouses will be open to allow members to obtain cold water.
- **Outdoors Seek Shade and Protect Yourself:** Whenever possible, remain in the shade. Try to avoid strenuous physical exertion during the hottest parts of the day (11am-3pm). Always remember to wear a hat and apply sun cream.
- **Indoors:** It is permissible to open fire exit doors, for ventilation, provided that the access to or through them is not obstructed. However, no Fire Door (as marked with a sign) must be propped open. Please ensure any fire exit doors, which have been opened, are fully closed when leaving the building.
- Consider if the match must be completed at that time or could be delayed, as **player welfare should always be the priority** in the face of unusual conditions owing to inclement weather

Charlie Boon Memorial Tournament

Liz Boon with the Charlie Boon Tournament winners, Matthew Carter, Karl Brooks, Adrian Field and Danny Page (a team made up of NBC and Downham Market members).

Liz presenting a cheque for £1220 to Tracey Warnes from The Big C.

Liz with the runners-up Shipdham Market.

On Saturday 18 July, we held the third Charlie Boon Memorial Tournament charity day and, as a result, we have donated **£1220** to the Big C Charity.

This event does not happen by chance but involves a tremendous amount of work by many people and I feel it is appropriate to pass on thanks, on behalf of all members, to all concerned for making this event such a resounding success.

Let's start with the "Barbeque Team" John, Phil, Janet, Jan, Jill and Judy. Arriving at the crack of dawn, they made sure that all players and supporters were well fed all day and contributed significantly to the total raised.

Secondly, our thanks go to Pauline, Liz, Tracey and Gloria for taking care of the cake stall and raffle. Brilliant job by all.

Thirdly let's not forget the Admin Team, Ian and Wayne, who, not only managed to get 24 blocks to turn up on time but (Ian especially) had it organised so that all players were in no doubt as to who was playing where and when. The whole day ran as smooth as silk; well done!

Marty Ellis not only played, but umpired all day. Thanks Marty.

Phil and David were also at the club very early and made sure everyone could park safely and in the right place – great job you two!

Lastly, but not least, many thanks to Janet, Helen, Gemma and Lily for manning the bar and kitchen from early morning until late evening – a long haul and very hard work. Well done and thank you.

All in all, it was a day that NBC can be proud of.

Shipdham Bowls Club (the runners-up) summed it up nicely on their Facebook page: **"Norfolk Bowling Club really know how to run a tournament!"**

Report from Brian Holcroft (President)

A personal thank you from Liz Boon & Helen Jamieson

We would just like to give a huge thanks to everyone who contributed to Charlie's memorial tournament. From organisers to staff, from volunteers to players and everyone else who took part to make it the fantastic day it was. Without all of you, none of it would be possible.

Liz Boon and Helen Jamieson

Bales Cup

QF against Wymondham Dell at RG. Carters resulted in a **59-31** victory with all rinks winning.

Both SFs will be played at **Hingham Rec on 31 July at 6.15pm** against Great Plumstead. Please come and support the team if you can.

National Top Club

The area SF was played away to Downham Market and proved as difficult a task as expected. A **3-2** victory and wins for the 4 Bowl Singles, Pairs and the Fours on an extra end saw the team progress to the area final.

The area final was played at Eye as a neutral green against Thurlton. This proved a more comfortable victory than previous rounds, **4-1** with all disciplines winning except the four bowl singles which was still in progress when the match was conceded.

In the last 32 in the country the team will face **Parkway from Hunts on 2 August at Girton at 6.30pm**. The last 16 will also be on a neutral green before the team hopefully progress to Leamington for the National Finals.

Fermoy Cup

This is a cup played within Norfolk where one rink plays at home and one away. The scores are combined to determine the winner. As at 23 July the club has two Teams in the SF with the **A Team playing Castle Acre and the B Team Acle on 30 July**.

Middleton Cup

Sadly, the Middleton Cup ended in disappointment for Norfolk. Requiring an overall shot victory and 5 winning rinks, the team were beaten 18 points to 4 to Suffolk. This enabled Essex to progress to the quarter finals stage.

Yare League

We played only three games in July in contrast to the busy first half of the season. We started with a **5-2** away win at Sprowston Sports. Next a **7-0** home win against St Marks, and we finished July with a **5-2** away win at Hethersett.

We have four games left to play in August starting with a game against Steve Johnson's NBC Lions on **3 Aug** – please come along to watch this local derby if you can!

The Roundheads have now played 6 games, we have 9 points and are in joint second position with only 2 games to go in August.

Report from David Jobber

County League C Team

We would like to thank everybody who has played for the County League C team this season: for putting up with us trying to field a settled side, unavailabilities and late call-offs. These were problematic but with a good squad we overcame adversity and maintained our status in Division One. Well done and thanks very much.

David Snelling and Doug Riches

Toilets

We politely request that all members ensure that they leave the toilet facilities in a state in which they would wish to find them i.e. clean and tidy. Staff have recently been faced with some particularly unpleasant cleaning up which is unacceptable.

Parking

Please could members kindly observe the restrictions on parking by the right-hand wall of the indoor clubhouse. There have been complaints that non badge holding members have been parking in the spots reserved for those members who have a Blue Badge. Many thanks.

NBC Open Day – An appeal to all members

As you are probably aware, for the last four years the club has organised an Open Day with the aim of introducing potential bowlers to the sport, and hopefully recruiting some new members. I am pleased to say that this has been singularly successful and we have recruited between 40-50 people, some of whom have been integrated into league teams and county representative teams, with others preferring to play friendly roll-ups and development league matches, all of which is good.

This year we are reaching out to existing members who may have neighbours, family, or friends that might like to come along and give bowls a try. They would be most welcome.

The Open Day will take place on **Saturday 26 September 10am – 4pm**, when there will be four club coaches on hand to offer guidance and supply bowls if needed. There will also be an exhibition match around midday between two of our England international players. Existing members are welcome to come along too, even if they are not introducing anyone on the day. I'm confident it will be both enjoyable and informative and I look forward to seeing you there. If the Open Day date should prove to be inconvenient for anyone looking for an introduction to bowls, we are always happy to arrange a time to suit the individual. Just give me a ring.

The poster is for an Open Day event. It features a green background. On the left, there is a close-up of a red and white bowling ball. On the right, there is the Norfolk Bowling Club crest, which is a shield with a castle and a lion. The text is centered and reads: 'SATURDAY 26 SEPTEMBER, 10-4PM', 'WHY NOT GIVE INDOOR BOWLS A TRY?', 'Simply come along to our Open Day.
